## Riviera Kiwanians Makes Donation To Baptist College

The Riviera Beach Kiwanis Club today became the first civic organization in the Palm Beaches to make a club investment contribution to the new Baptist-sponsored college to be built in Palm Beach Gardens.

The president of the club, William F. Haselmire of Palm Beach Shores, announced that the club had voted to contribute \$500 for a memorial in memory of Arthur A. Carta of Palm Beach Shores. Carta was treasurer of the club for nearly 10 years prior to his death last year.

The Riviera Beach Club selected the furnishings of the administration building lounge as the memorial to Carta.

In receiving the memorial gift, college campaign officials said: "Civic clubs such as the Riviera Beach Kiwanis are noted for their fine and generous contributions to the betterment of our community. We know that the officers and members of this club are vitally interested in the college."

"Several other civic groups have inquired about making contributions to the college campaign but the Riviera Beach Kiwanis was the first to formally make a contribution."

Haselmire said, "The fundamental purpose of Kiwanis is to assist the youth of this country and throughout the world. Our club, very interested in the education of boys and girls, could think of no better way to accomplish this goal than by contributing to the building of a new college."

The campaign to raise funds to build the new college is now underway in the Palm Beaches. Officials announced recently that \$300,000 or 20 per cent of the \$1,500,000 goal had been raised in subscriptions.

Mr. and Mrs. Kenneth Moring and daughter are the guests this week of his parents, Mr. and Mrs. Charles Moring, in Newville, Ala.

## Miss Joy Sims Is Wed To D. A. Thompson

Miss Joyce Virginia Sims of Canal Point and Dorsey Alan Thompson of Pahokee were united in marriage in a candlelight, double-ring ceremony held in the Canal Point Methodist Church Saturday (June 5) at 7:30 p. m. with Rev. James W. Baugher, pastor, officiating.

The altar was decorated with floor baskets of white gladioli and purple-centered white miniature mums with potted palms in the background, and the pews for relatives were marked, satin bows encircled with white net and purple and orange orchids. Nuptial music was furnished by Miss Carol McDonald of St. Petersburg, vocalist, a cousin of the bride, and Miss Sharon Johnson, pianist.

The bride, daughter of Mr. and Mrs. Angus M. Sims, of Canal Point, graduated from Pahokee High School with the Class of 1964, and before her marriage was employed in the offices of the U. S. Sugar Corporation at Bryant.

The bridegroom, also a graduate of the Pahokee High School, is the son of Mr. and Mrs. Ray D. Thompson, 297 Annona Ave., Pahokee. He is an employee of Open Road Campers in St. Petersburg.

Miss Paula Gail Bryant as maid of honor wore a street-length gown of aqua satin, fashioned with

bell skirt and sleeveless bodice with round neckline. Two tiers of net over the face were attached to a headpiece of aqua satin shaped as a bow with sequins at the center. Orange orchid streamers flowed from her bouquet of mixed flowers.

Miss Lillian Doris Sims, sister of the bride, served as bridesmaid. Her gown and flowers were identical to those of the maid of honor.

The bride was given in marriage by her father. Her street-length gown, an original design made by her aunt, Mrs. Elmer Maxson, was fashioned with a white satin bodice and lace over satin skirt. A fitted lace jacket had small pearl buttons all the way down the front, and the long sleeves pointed over the hands were fastened with pearl buttons. Her shoulder-length veil of French illusion was attached to a headpiece of flowers and rhinestone. She carried a white prayer book with a white orchid on top.

Earl Dean Thompson, U. S. Navy, served as his brother's best man. Alton Sims of Immokalee and Joe Davis of Pahokee were ushers.

Mrs. Grace Maxson was the receiving line hostess at the recep-

tion in the Maxson Building of the church following the ceremony. Miss Gale Sears presided at the bride's book. Miss Gwen Allen was at the punch bowl while Miss Linda Wilson served portions of the wedding cake. Mrs. Betty Jo Williams and Mrs. Maxine Maxson also assisted.

The table, laid with white lace over a purple cloth, was centered with an arrangement of spring flowers carrying out a color scheme of blue, purple, white and orange. A smaller flower arrangement, featuring the same colors, was on the piano. The scene was lighted with six aqua tapers in crystal holders. The three-tiered wedding cake was decorated with pale lavender frosting and the punch was deep purple. Lighting the bride's book was a lamp with a special shade made with leftover pieces from the bride's gown. Rice bags, made of white nylon net with blue tie ribbons, were distributed among the guests by Butch Sims, small brother of the bride.

Mr. and Mrs. Thompson are now at their home on Cressman Drive in St. Petersburg.

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones  
you own now are better than ever*

**Q:** How does the new  $3\frac{3}{4}\%$  interest rate benefit me?

**A:** With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{4}\%$  for the first year and a half; then a guaranteed  $4\%$  each year to maturity.

**Q:** When did the new rate become effective?

**A:** June 1, 1959.

**Q:** Does the new rate change the Bonds I bought before June 1, 1959?

**A:** All older E and H Bonds pay more now—an extra  $\frac{1}{4}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

**Q:** Will the Bonds I own automatically earn their new rate?

**A:** Yes. You don't need to do a thing—just hold on to your Bonds.

**Q:** When my E Bonds mature, will they keep on earning interest?

**A:** Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

**Q:** With the new interest rate, should I cash in my old Bonds and buy new ones?

**A:** No. The automatic  $\frac{1}{4}\%$  increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

**Q:** How are series H Bonds different from series E Bonds?

**A:** The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

**Q:** In what denominations can I buy series E and series H Bonds?

**A:** E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000, and \$10,000. They are priced at face value.

**Q:** How safe are U.S. Savings Bonds?

**A:** Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

**Q:** What if my Bonds should be lost, stolen or destroyed?

**A:** You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

**Q:** Where can I buy Bonds?

**A:** Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

**Q:** How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

**A:** Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

## How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
